Our 2016  
CE topic

# The Aging Population: Opportunities for the Dental Profession

Presented by Dr. Chris Wyatt, fellow alumnus of UBC Dentistry, as well as a member of our full time Faculty chairing the Division of Prosthodontics & Dental Geriatrics. Under his direction, the Geriatric Dentistry Program has provided dental services to over 1,800 elderly Long Term Care residents.

Dr. Chris Wyatt, BSc, DMD, MSc, Dip Pros.  
Professor  
Chair, Division of Prosthodontics & Dental Geriatrics  
Director, Graduate Prosthodontics Program  
Director, Geriatric Dentistry Program  
Seniors' Foundation Professor in Geriatric and Outreach Dentistry

For your convenience, we will be offering the same program in both Nanaimo & Victoria.

The event is complimentary but in lieu of payment, please consider supporting UBC Dentistry's **Adopt a Long Term Care Facility**.
