LIMITED ENROLMENT

Answer these critical questions and more in VDEC's life-changing 4-day, hands-on smile design course for experienced and aspiring dentists alike! Specially designed to transform your whole team into smile design experts, each registration fee includes one dentist and three dental team members. Bring a real patient case from your practice to our 4-day, live-patient course. Develop your eye for esthetic excellence along with all the diagnostic fundamentals, techniques and core principles you will need to achieve full and effective case acceptance. Join VDEC for some serious fun! Discover how to help your patients realize their lifelong dream of having a beautiful, healthy smile without any pain or physiologic compromise.

At the end of this course participants will be able to:

- Plan a real case from your own practice and make wise decisions with confidence and precision within a supportive, collaborative environment.
- "Pre-prep" for your case, discuss it with others, considering a variety of different preparation designs, and prepare a model using temporaries to transform a single unit into a beautiful smile.
- Integrate your whole team into all your smile design cases, including a positive philosophy, practical concepts and risk management strategies.

DR. WILSON J. KWONG, DMD, FACD, VDEC FOUNDER founded VDEC out of his passion for continuing education. His teaching methodology is practical, interactive and career-changing. Each of his carefully-designed modules promises a progressive learning experience that combines sound dental science and hands-on techniques with solid business acumen. A graduate of the Faculty of Dentistry at UBC Dr. Kwong has been practicing and teaching leading-edge dental techniques world-wide for over 28 years. A lecturer for Nobel Biocare and Ivoclar throughout North America,

Dr. Kwong offers insights into Platinum case presentation, esthetic implant restoration, ceramics and bonding procedures. Dr. Kwong is also a recent recipient of a Fellowship with the American College of Dentists.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to ADA CERP at www.ada.org/cerp.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia.

CANCELLATION POLICY: Full refunds less a \$50.00 service charge will be granted for cancellations made 60 days prior to the course. Cancellations made between 30 and 60 days prior to the first day of the program will receive a 50% refund. No refunds will be granted for cancellations made less than thirty days prior to the first day of the program. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.
