+ One-On-One Supervision by a Specialist for each surgery
+ Two Live Demo surgeries by our Oral Surgeon and Periodontist
+ Full Treatment Planning of each case separately
+ Computer Guided Implant Placement is a cornerstone of this course
+ Use of Computer Guided Surgical Stent

COURSE DESCRIPTION
(subject to change by instructors):
westcoastinstitute.com

SESSION 1 (SEPTEMBER 22-24)
The 1st session runs from Friday to Sunday all day.

This session is focused on the decision making factors that need to be taken into account when planning to place and restore implant cases. You will receive the input of a Prosthodontist, a Periodontist and an Oral & Maxillofacial surgeon as they share their knowledge on Patient Selection Criteria, Risks/Benefits, Indication/Contraindications, Diagnostic Data, Cone Beam CT Scan Analysis, Complications, Postoperative Management, Prosthetic Parameters and Design, Computer Guided Technology and Surgical Stent.

* There is NO NEED to have a patient selected yet for this first session.

SESSION 2 (NOVEMBER 2-5)
The 2nd session runs for 4 full days and is mostly Hands-On.

THURSDAY: Meet and greet all patients as they have been pre-screened and selected by the Course Mentors. For those who require patients, they will get to meet their patient and perform an Exam. Full set of photos will be taken and CT Scans will already be available.

FRIDAY: This day is devoted to treatment planning every single case individually via Power Point format. Every case will be presented with Photos, Cone Beam CT Scan images & Models. Everyone will have the opportunity to observe and participate in the treatment planning of each individual surgical case.

SATURDAY: Live Demo Surgery by our Certified Specialists Dr. Irinakis & Dr. Sadeghi. Live Patient Surgeries by the participants for the remainder of the day under 1-on-1 Supervision.

SUNDAY: Live Patient Surgeries by the participants the entire day.

LOCATION: UBC Main Campus, Vancouver
Tuition includes:
+ Placement of up to 2 implants
+ Implant Genius Surgical Guide
+ Breakfast, Lunch & Refreshments
+ Instrument Rental
+ All sundries required for your surgery(ies)
