SATURDAY AND SUNDAY
SEPTEMBER 14 AND 15, 2019
Registered dental hygienists who have taken a local anaesthesia program, but would like a review course or for those who are required by the College of Dental Hygienists of BC to take a review course, are invited to participate in SESSION I of the Local Anaesthesia program being offered by Continuing Dental Education this fall.

INSTRUCTOR TEAM (Subject to change)
- Ruth Lunn, Dip DH, PID, RDH, CDA
- Jodi Garofano, Dip DH, RDH
- Ann Szeto, BA Dip DH, MSc
- Linda Talbot, BDSc, Dip DH
- Nancy Baily, Dip DH

COURSE DESCRIPTION
A two-day comprehensive review designed to teach and revisit basic and current concepts of local anaesthesia and administration of local anaesthetic agents. Come and participate in two full days that include lectures and an opportunity for hands-on practice of clinical techniques. Participants must be currently registered to practice in British Columbia. As participants practice on each other, you must be able to receive local anaesthesia or you must provide a stand-in for your partner.

INSTRUCTOR TEAM (Subject to change)
- Jodi Garofano, Dip DH, RDH
- Ann Szeto, BA Dip DH, MSc
- Linda Talbot, BDSc, Dip DH
- Nancy Baily, Dip DH

COURSE OBJECTIVES
* Please Note there is no grading component to the review course
Upon completion of this course participants will be able to:

1. Describe head and neck anatomy related to the administration of local anaesthetic agents.
2. Describe principles of pharmacology related to local anaesthetic agents and adrenergic drugs.
3. Demonstrate the various techniques involved in the administration of local anaesthetic agents.
4. Explain patient evaluation, complications and office emergencies as related to local anaesthesia.
