THE AAID VANCOUVER MaxiCourse connects dentists with the most comprehensive and foundational dental implant training, led by the most experienced team of oral implantologists in the province. Are you ready to take your dental implant practice to the next level? YOUR CAREER IN ORAL IMPLANTOLOGY BEGINS HERE.
The AAID Vancouver MaxiCourse® is a structured program consisting of 30 days of education over ten months. The program runs from September through June. Each Module runs from Friday to Sunday, consisting of a systematic buildup of didactic material, laboratory exercises, surgical demonstrations, clinical participation, and surgeries on your own patients. All surgeries are mentored and supervised by AAID board-certified faculty members in the UBC Faculty of Dentistry grad specialty clinic. Module four of the program offers an opportunity to review surgical anatomy as well as the placement of implants and performance of various surgical procedures on cadavers at the UBC Faculty of Medicine, Department of Anatomy.

At the completion of the program, each participant will be eligible to challenge the written component of the AAID Fellowship exam. This is optional and a personal choice.

**Program Highlights**

- 300 Hours CE over 10 months at the University of British Columbia
- 14 days of Live Patient Surgical and Prosthetic Sessions. More clinical experience than any other program in Western Canada
- Numerous hands-on workshop opportunities: bone density, sterile setup, guided surgical planning, flap design, suturing, pig jaw manipulation, and much more
- 3-day Cadaver Course with anatomy review and mock surgeries - implant placements, bone grafting, sinus lifts
- Online case planning, support, and dialogue and discussion through a private, unique online learning platform with Dental Campus
- 6 treatment planning sessions where you will present your cases and participate with your colleagues’ cases
- Detailed case discussion and critique where you learn alongside colleagues regarding live surgery
- Perform surgeries on your own patients, under one-on-one surgical mentorship throughout the program from six ABOI Board-Certified Oral Implantologists
- One-on-one surgical mentorship throughout the program from six ABOI Board-Certified Oral Implantologists
- Non-commercial course covering the spectrum of implant types and systems
- No implant system purchase required
- Excellent review of fundamental sciences, comprehensive treatment planning, surgical protocols, and restorative protocols
- Experts and pioneers in the field cover the big topics in implant dentistry, providing a broad perspective on implantology
- Course participants will be eligible to take the Part 1, AAID Associate Fellow exam
- 12 month membership in the American Academy of Implant Dentistry
- Subscription to the Journal of Oral Implantology, AAID News, Implant Insights, Digital Newsletter
- Participants may charge their professional fees to their patients to help recover tuition costs
- Tuition: $24,000 CDN; payment plans available

**Mentorship**

A one-year advanced implantology fellowship program under Vancouver’s leading team in implant dentistry. Receive individual mentorship from Diplomates of the American Board of Oral Implantology.

**Training**

From the basics to more advanced implantology, experience your learning first-hand, explore numerous hands-on exercises, and lead surgeries on your own patients.

**Research**

Take your knowledge base to the next level through the guidance of experts in the field and expand your understanding of the current scientifically-based research.

About William Liang

Director, AAID Vancouver MaxiCourse
Canadian Dental Implant Training Centre
Honored Fellow, American Academy of Implant Dentistry
Diplomate, American Board of Oral Implantology

Dr. William Liang attended the University of British Columbia and received his Bachelor’s degree in Microbiology in 1981 and his Doctor of Dental Medicine Degree in 1983. At graduation, he was awarded the Canadian Oral and Maxillo-Facial Prize for highest standing in the area of Oral Surgery. He has been practicing dentistry in Surrey, BC for the past 30 years. Currently his practice is focused on adult restorative and implant dentistry. He is on the executive of the AAID Western District. Dr. Liang is Board Certified by the American Board of Oral Implantology / Implant Dentistry, Fellow of the Academy of General Dentistry, Fellow and Diplomate of the International Congress of Oral Implantology, Fellow of the Misch Implant Institute and Honoured Fellow of the American Academy of Implant Dentistry.

The magic is in the magician, not in the wand.
~ Dr. William K. B. Liang

Top 5 Reasons to Attend the AAID Vancouver MaxiCourse:

1. **Learn it, See it, Do it.** Immerse yourself in the subject matter with lecture and discussion, live surgeries, and hands-on workshops.
2. **Develop confidence.** in your ability to perform surgical procedures that you weren’t comfortable performing previously.
3. **Learn from the Best.** The guiding hands of the Vancouver MaxiCourse are passionate, experienced veterans in the field. Learn in a warm, interactive, and enthusiastic environment with the camaraderie of your fellow participants.
4. **Learn the Why.** More than just another weekend how-to course, you will find out what really works, what doesn’t, and have your eyes opened to a wide range of possibilities.
5. **Earn credentials to be proud of.** This is your first step into greater knowledge and skill, and it also provides the opportunity to elevate your status in the dental community. Stretch and challenge yourself—become a Fellow in the American Academy of Implant Dentistry and a Diplomate with the American Board of Oral Implantology. These credentials can’t be found anywhere else.
