Bring a guest and come for an evening of CE and a wine & cheese social. Meet the new dental hygiene program director and other dental hygiene alumni including soon-to-be alumni, the students in the Class of 2017. Learn what's new in the dental hygiene degree program since you graduated. Enjoy a tour of the faculty including a look at all the renovations and new spaces including the graduate specialty clinic.

The CE component will address the educational landscape of dental hygiene in Canada, the outcomes of baccalaureate education, and career opportunities.

- CE presentation 7:15 – 8:15 pm
- Dessert and coffee reception, tour 8:15 – 9 pm
