Continuing Dental Education, Faculty of Dentistry is an ADA CERP recognized provider
**COURSE OUTLINE**

This course provides instruction in orthodontic examination, diagnosis, and treatment-planning with emphasis on the goals, objectives, and realistic expectations of orthodontic treatment. Didactic instruction will be supplemented with clinical demonstrations, treatment case examples from a broad practice data-base, and “hands-on” experiences. Upon completion, participants should be able to:

1. Effectively evaluate the severity of malocclusions,
2. Assess and anticipate the degree of treatment difficulty,
3. Critically evaluate the quality of orthodontic treatments, and
4. Select and effectively treat those conditions appropriate for their level of training and experience.

Completion of this program provides participants the opportunity to proceed to the advanced-level clinical participation courses in orthodontics currently offered by Continuing Dental Education at the University of British Columbia, on a space availability basis.

**CLINICIAN**

Paul A. Witt, DDS, Dip Ortho, FRCD(C), received both his dental degree (1974) and a diploma in orthodontics (1979) from the University of Toronto. He has been practising full-time as a Certified Specialist in Orthodontics since 1979 and has been teaching orthodontics part-time since 1981. He is currently a Clinical Assistant Professor with the Graduate Orthodontics Program and the chief lecturer for the Orthodontic Module, both in the Faculty of Dentistry at the University of British Columbia.

**TUITION FEE**

DENTISTS: $3895.00

Includes light lunch for each session and course handouts. Expendable supplies are not included in the course fee. A non-refundable deposit of $695 is due upon registration.

**55 HOURS OF INSTRUCTION**

**LIMITED ENROLMENT: 10 PARTICIPANTS**

Pre-Registration is required.

Continuing Dental Education at The University of British Columbia reserves the right to cancel courses if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.

Please register as early as possible in order to reserve a space!
