

ESSENTIALS OF SEDATION IN DENTISTRY

DR. MARVIN LEVENTER

This seminar will offer a review of safe in office sedation modalities. We will cover the pros, cons, risks, objectives of oral sedation, nitrous oxide, and local anesthesia, IV moderate sedation and general anesthesia will be covered as informational and for comparison. Both pediatric and adult patient issues will be discussed.

EDUCATIONAL OBJECTIVES

1. Decide which patients are appropriate for sedation and what modality of care is appropriate
2. Identify the critical areas to focus on for a proper patient assessment
3. Explain the pharmacokinetics and pharmacodynamics of the most commonly used anxiolytic drugs in dental practice
4. Demonstrate how to do an airway assessment, and explain the implications for the sedated patient
5. List the monitors required or recommended for sedation and explain how their data is important
6. Describe some common reported mishaps that lead to morbidity and how are they avoided and/or treated

CLINICIAN

MARVIN LEVENTER, DDS, received his dental degree from the University of Maryland School of Dentistry in 1990. He then completed a two-year general practice residency and a two-year dental anesthesiology residency at Brookdale Hospital Medical Center in New York. Dr. Leventer is a Diplomate of the American Dental Board of Anesthesiology and a Fellow of the American Dental Society of Anesthesiology. He is also a member of the American Society of Dentist Anesthesiologists and the Academy of General Dentistry. Dr. Leventer is an assistant professor in dental anesthesia at the University of Maryland School of Dentistry, and provides general dentistry within the faculty practice.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
