

# A PRACTICAL GUIDE TO INCORPORATING SILVER DIAMINE FLUORIDE IN YOUR PRACTICE FOR PRIMARY TEETH

DR. JACQUELINE BURGETTE

This course is designed for dental practitioners and their staff who wish to learn more about the use of silver diamine fluoride (SDF) on primary teeth and how to incorporate SDF into their dental practice. The course will provide an introduction to SDF, summary of the primary literature on the efficacy of SDF in children, review a protocol for applying SDF on primary teeth, and discuss clinic set-up and materials to facilitate the use of SDF. This practical guide on incorporating SDF into a dental practice will include a discussion of family education, informed consent, recommended patient selection, application duration, documentation, dentist's role, assistant's role and video of application with clean-up. This course is consistent with the AAPD's 'Chairside guide: Silver Diamine Fluoride in the Management of Dental Caries Lesions.'

NOTE: SDF is particularly relevant in the current climate as a minimally invasive caries arresting treatment without hand piece aerosol.

## EDUCATIONAL OBJECTIVES

1. Discuss the use of silver diamine fluoride (SDF) as a caries-preventive intervention for primary teeth in the United States
2. Cite primary literature and professional guidelines related to SDF in primary teeth Explain the pharmacokinetics and pharmacodynamics of the most commonly used anxiolytic drugs in dental practice
3. Describe a protocol for applying SDF in a clinic setting, including the dentists' role, the assistant's role, clinic supplies, billing and progress notes

## CLINICIAN

**JACQUELINE BURGETTE, DMD, PHD**, Assistant Professor, Department of Dental Public Health and Department of Pediatric Dentistry, University of Pittsburgh School of Dental Medicine. Dr. Burgette earned her DMD degree at Harvard School of Dental Medicine. She received her pediatric dentistry certificate and PhD in Health Policy and Management from the University of North Carolina at Chapel Hill. Dr. Burgette continues to be affiliated as a research fellow at the Cecil

G. Sheps Center for Health Services Research at the University of North Carolina at Chapel Hill. Dr. Burgette joined the faculty of the University of Pittsburgh School of Dental Medicine in 2017. In addition to conducting research, Dr. Burgette is a board-certified pediatric dentist. She provides pediatric dental care at University Dental Health Services (UDHS) and teaches clinical pediatric dentistry in the Department of Pediatric Dentistry.

## CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

**DISCLAIMER:** Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit [dentistry.ubc.ca/cde](http://dentistry.ubc.ca/cde) for a list of ACDE webinar offerings.
