

MANAGING THE MOST COMMON MEDICAL EMERGENCIES IN THE DENTAL OFFICE

DR. JOSEPH BEST

Today's dental healthcare professionals are being asked to manage more medically-compromised patients. These patients present higher risk for in-office medical emergencies. In this course we will use a case-based approach to review the management of the most common medical emergencies the dental team may face. We will not cover the one-in-a-million medical complication, but instead we will focus on giving practical information needed in a medical emergency. The presentation will also include instruction on the proper use of the drugs and equipment used to manage medical emergencies.

EDUCATIONAL OBJECTIVES

1. Identify the patients at highest risk for medical emergencies
2. Recognize the signs and symptoms of common medical emergencies
3. Develop differential diagnosis for common emergency presentations
4. Apply medical interventions to manage common medical emergencies
5. Describe the use of the drugs and equipment used to manage medical emergencies

CLINICIAN

JOSEPH BEST, DDS, PHD, is a 1989 graduate of Marquette University School of Dentistry and a part-time faculty member at the dental school in the Department of Surgical Sciences. He is the course director for the Medical Emergencies and Pharmacotherapeutics courses at MUSoD and lectures extensively in pharmacology, medicine, oral surgery and implant dentistry both at the dental school and in regional CE programs. Dr. Best received his Ph.D. in Pharmacology and a certificate in Oral and Maxillofacial Surgery from the University of Rochester School of Medicine and

Dentistry. He is a board certified oral and maxillofacial surgeon and maintains a private practice with Oral and Maxillofacial Surgery Associates in Waukesha, WI.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
