

PANORAMIC RE-PRIMER

DR. ERNEST LAM

Panoramic images are commonly acquired in dental practice, and it is important for dentists to understand the appropriateness of this imaging tool in diagnosis. The purpose of this lecture is to remind (or “re-prime”) dentists’ knowledge about panoramic imaging: how to systematically review the panoramic image, technical errors, and variations in normal anatomy that may simulate the appearance of disease; limitations of panoramic images in diagnosis; and when (and when not) to order imaging. As with any test that has an associated risk, the careful and judicious use of panoramic imaging in dental patients should result in a net benefit to their immediate management.

EDUCATIONAL OBJECTIVES

1. Describe how patient positioning can adversely affect the appearance of panoramic images
2. Understand the role (and limitations) of panoramic imaging in diagnosis
3. Develop a systematic strategy for reviewing the panoramic image
4. Implement evidence-based criteria for ordering panoramic in general dental practice

CLINICIAN

ERNEST LAM, BSC, DMD, MSC, CERT. OMR, PHD, DIP ABOMR, FRCD(C),

Dr. Ernest Lam’s areas of research and clinical interests are in oral and maxillofacial radiology and oral and maxillofacial radiology education research. He serves as a Professor and Associate Dean, Graduate Studies and Director of the Graduate Program in Oral and Maxillofacial Radiology, Faculty of Dentistry, University of Toronto.

Research & Clinical Specialties:

- oral and maxillofacial radiology
- education research

Distinctions:

- Fellowship Award, the Medical Research Council of Canada (1995-1998)
- Clinical Investigator Award, the Alberta Heritage Foundation for Medical Research (2001-2005)
- W.W. Wood Teaching Award, Association of Canadian Faculties of Dentistry, 2003
- The Dr. Lloyd and Mrs. Kay Chapman Chair in Clinical Sciences (2013 to present)
- Fellow of the Royal College of Dentists of Canada in Oral and Maxillofacial Radiology
- Diplomate of the American Board of Oral and Maxillofacial Radiology

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references.

Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

THURSDAY
JULY 29, 2021
5:00 PM - 7:00 PM (PACIFIC)
(2 Hours of Instruction)

COST:

\$99 CAD

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the “ACDE Webinar Series”. This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional’s schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
