HOW TO NAVIGATE THE WORLD OF DIGITAL DENTISTRY IN TODAY’S DENTAL OFFICE

DR. JONATHAN NG

As technology has evolved in our daily lives, there is no exception in dentistry. There is so much confusion today in what technology is and what it is used for. This session will discuss the many essential digital dentistry tools for the dental practice of today and tomorrow. Learn about the simple tools that will improve communication between clinicians, patients, and the dental lab and how these important elements significantly enhance patient understanding, resulting in increased case acceptance.

EDUCATIONAL OBJECTIVES

• Understand digital treatment planning and why it is essential
• Review digital dentistry workflow and the critical steps in the treatment planning for everyday practice
• Compare and contrast conventional and digital impressions
• Understand the simple tools of digital dentistry today that help your practice immediately
• Review the advancements and the future of digital dentistry for 2021 and beyond

CLINICIAN

JONATHAN NG, BMedSc, DDS, MSc, Dip. Pros, FRCD(C) is a Certified Specialist in Prosthodontics. He obtained his DDS degree from the University of Alberta and his Prosthodontic specialty at the University of British Columbia. His private practice is in Vancouver, Canada, where Dr. Ng specializes in complex prosthodontic care and rehabilitation. Dr. Ng is also on staff at the BC Cancer Agency, treating medically complex patients. Dr. Ng works closely with emerging technologies and has written a thesis and published numerous articles on the topic of digital dentistry. As such, he offers a perspective on the current technology that is up-to-date and evidence-based.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

ADA CERP

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.
