This course will introduce the participant to the use of nitrous oxide conscious sedation to manage anxiety in patients. It is designed as an introduction for the dental professional with little background in the use of nitrous oxide and as a refresher for those with previous training. It is a basic course that presents background information and step-by-step procedures for nitrous oxide administration.

**EDUCATIONAL OBJECTIVES**

- Have learned the history of nitrous oxide
- Identify the planes of anesthesia and analgesia
- Understand the physiology of respiration
- Be familiar with different types of nitrous oxide delivery systems
- Have reviewed clinical research
- Have learned the appropriate method of nitrous oxide administration
- Understand the indications and contraindications for nitrous oxide
- Have knowledge of safety and occupational hazard issues

**CLINICIAN**

R. GLENN ROSIVACK, DMD, is a Diplomate of the American Board of Pediatric Dentistry. He received both his D.M.D. and Certificate in Pediatric Dentistry from the University of Medicine and Dentistry-New Jersey Dental School. He is currently a Professor, Chair and Program Director of the Department of Pediatric Dentistry at the Rutgers School of Dental Medicine. He has lectured extensively on a variety of topics in pediatric dentistry to national audiences. Dr. Rosivack is co-chairman of the Children’s Dental Health Month Committee of the Union County Dental Society and a Fellow of the American Academy of Pediatric Dentistry serving on their Council for Scientific Affairs. Dr. Rosivack maintained a private practice in Union, N.J. for 30 years and has been named one of “New Jersey’s Top Pediatric Dentists” by New Jersey Monthly Magazine.

**CANCELLATION POLICY**

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrollment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college-and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the “ACDE Webinar Series”. This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional’s schedule and interests. Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.

ADA CERP® Continuing Education Recognition Program

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors; nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancelation policy.
