

PHARMACOLOGY UPDATE FOR TODAY'S DENTAL PRACTICE

DR. MICHAEL PRUETT

In this lecture we will review and become familiar with drugs that impact the daily general practice. We will discuss how to evaluate new drugs and potential effects in dental practice.

EDUCATIONAL OBJECTIVES

- Recognize drugs, new and established that impact dental care
- Develop strategies for managing patients related to their drug therapy
- Review the analgesics and antibiotics most appropriate for the dental practice

CLINICIAN

MICHAEL PRUETT, DMD, Assistant Professor in the department of Restorative Sciences, he is the Director of Continuing Education for the Dental College of Georgia. Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
