

# INTUITIVE ENDODONTICS

DR. ANNE L. KOCH

As a result of recent advances in metallurgy, we now have both heat treated and non-heat treated rotary files. They each possess different properties and both have distinct indications for use, as well as limitations. Drs. Koch believes that these improvements should be employed to their utmost advantage. Consequently, a blended technique has been developed that combines the advantages of both heat treated and non-heat treated files into one Awesome Endodontic Technique!!! A technique that is completely intuitive by design!

## EDUCATIONAL OBJECTIVES

- Discover how the “Blend Technique” is completely intuitive in its design.
- Comprehend the advantages of heat-treated files and how best to use them.
- Recognize the advantages of enhanced irrigation techniques utilizing various new solutions.
- Fully understand the benefits of piezoelectric ultrasonics in both access and three-dimensional irrigation.
- Understand the meaning of an Endo-Restorative Cintuum and will appreciate its origins.

## CLINICIAN

**ANNE L. KOCH, DMD**, received both her DMD and Certificate in Endodontics from the University of Pennsylvania. She is also the founder and past Director of the Postdoctoral Program in Endodontics and Microsurgery at the Harvard School of Dental Medicine. Following her clinical and academic career, Annie formed her own successful technology and development company, Real World Endo, of which she was CEO and President.

Dr. Koch maintains adjunct faculty positions at PENN and Harvard and is also a member of the Board of Advisors for the University of Pennsylvania, as well as serving as a Board member for the “Center for Innovation and Precision Dentistry.” The author of more than 150 articles, Annie continues to lecture extensively on both endodontic technique and cultural competency issues.

## CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

**DISCLAIMER:** Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

MONDAY  
AUGUST 15, 2022  
5:00 PM - 7:00 PM (PACIFIC)  
(2 Hours of Instruction)

## COST:

\$99 CAD

No discounts or waivers are available for the ACDE webinar series.

Association For Continuing Dental Education

*The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.*

*The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the “ACDE Webinar Series”. This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional’s schedule and interests.*

Please visit [dentistry.ubc.ca/cde](http://dentistry.ubc.ca/cde) for a list of ACDE webinar offerings.
