

# TOP FIVE PRESCRIBED DRUGS: WHAT DO YOU NEED TO KNOW?

DR. AVIV OUANOUNOU

Pharmacology is the study of Drugs and their effects on the human body. Chronic medical conditions such as cancer, cardiovascular disease, endocrine disorders, and neurological conditions are very prevalent worldwide. In this course we will discuss the top 5 prescribed drugs in North America. We will review the pharmacological actions of these drugs, any reported adverse reactions and drug interactions associated with their use. We will review the effects of these medications on the oral cavity and any needed dental modifications for these patients. Specific emphasis will be given to the effects and interactions of these commonly prescribed drugs with those often given by dentists namely, local anesthetics, analgesics, antibiotics, and antifungals.

## EDUCATIONAL OBJECTIVES

- Identify the top 5 prescribed drugs
- Recognize the indications and contraindications of these commonly prescribed drugs
- Discuss the mechanism of action, adverse reactions, and drug interactions of the most commonly prescribed medications
- Discuss the top 5 prescribed drugs and their interactions with dental treatment and commonly prescribed dental drugs

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit [dentistry.ubc.ca/cde](http://dentistry.ubc.ca/cde) for a list of ACDE webinar offerings.
