

UPDATES IN LIGHT-CURING: UNRAVELING THE NEW ERA OF LIGHT-CURED MATERIALS

DR. DAYANE OLIVEIRA

In this course, you will learn the basic concepts of light-curing applied to your clinical practice. You will understand the difference between monowave and multiwave curing lights and their clinical implication according to the different light-cured materials in the market. And last, you will understand how to read manufacturers' labels and instructions and avoid misleading advertising.

EDUCATIONAL OBJECTIVES

- Understand the difference between the different current curing lights in the market (monowave x multiwave)
- Identify the differences between different light-cured materials (composites/cements) in the market and their clinical implications
- Understand how to read manufacturers' labels and instructions and not fall for marketing hypes

CLINICIAN

DAYANE OLIVEIRA, DDS, MS, PHD, is a Clinical Assistant Professor in the Department of Restorative Dental Sciences at the University of Florida. She has a master's degree in Operative Dentistry and Ph.D. degree and a post-doctoral training in Dental Biomaterials. Dr. Oliveira has devoted her teaching experience and her private practice to Restorative and Esthetic Dentistry for the last 12 years. Dr. Oliveira wrote six international book chapters, including topics on color selection, color matching, light curing and diagnosis in Operative Dentistry. Dr. Oliveira has a research background in color science and

composites' development which contributed to several patents and dental products development. Her most recent and pioneer research involves the development of dental light cured materials using long wavelengths, such as red light.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP.

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
