Objectives for today

- ❖ Meet Lisa John, Faculty of Dentistry Embedded Counsellor
- ❖ Enrollment Services Advisor – Linda Hallam - Student Loans and Finances
- ❖ To do list: intranet profile, email...

Lisa John,
Faculty of
Dentistry
Embedded
Counsellor

*Want to learn more about wellbeing?
Or just need someone to talk to?*

Reach out to our Dentistry
Counsellor,
Lisa John!

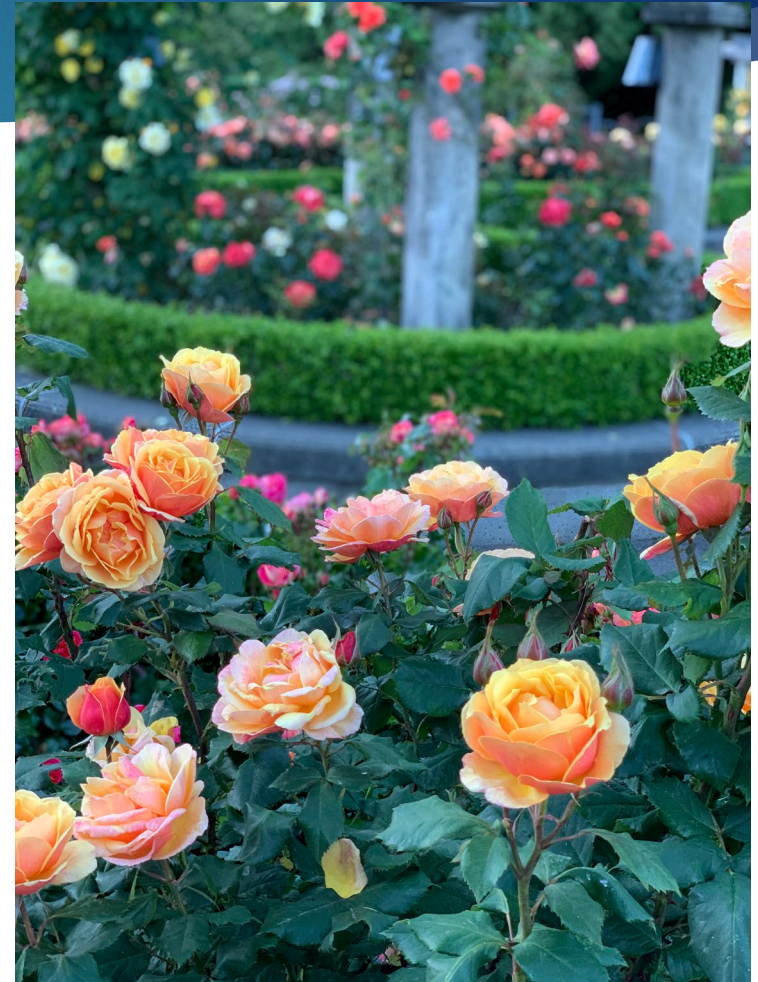

COUNSELLING@DENTISTRY.UBC.CA

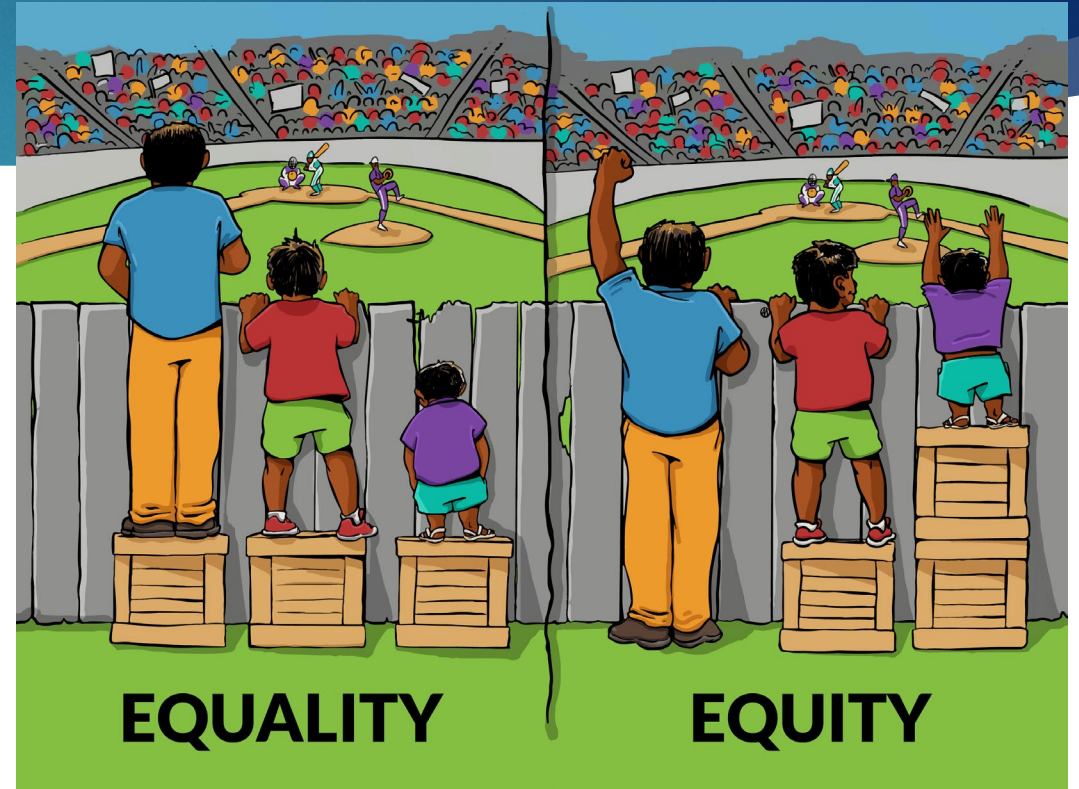

Financing Your Education

Enrollment Services Advisor - Linda Hallam

es.medsupport@ubc.ca

THE IMPORTANCE OF SMALL STEPS!!!

Reach out so we know what support systems you need

Reminders

- ❖ Register for courses June 14 → July 15
- ❖ Create UBC student e-mail
- ❖ Update your Intranet profile with UBC student e-mail
- ❖ Schedule/complete immunization appointment

UBC Student E-mail

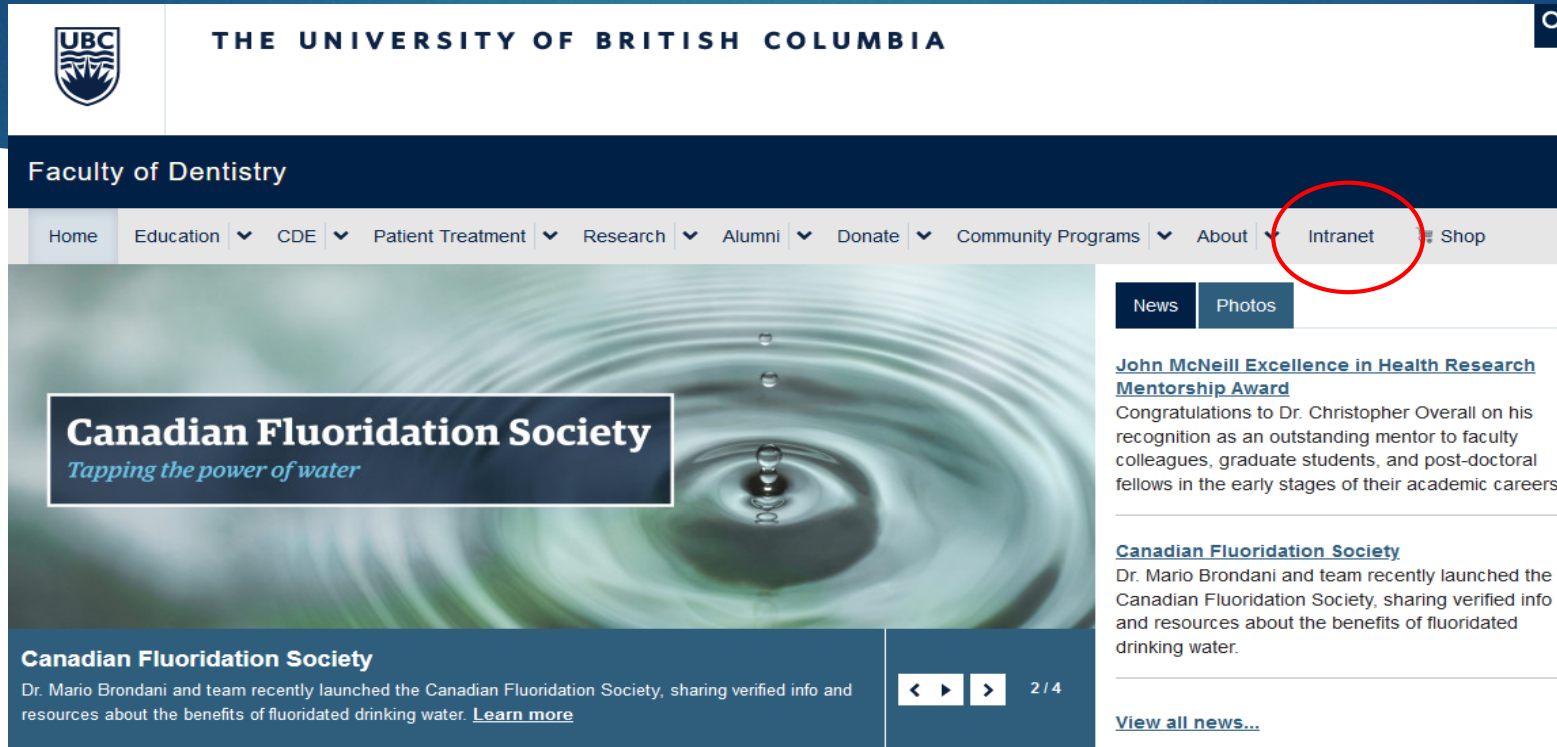

- ❖ Due to privacy laws and UBC Dentistry confidentiality requirements, all dentistry undergraduate and graduate students are required to respond/send emails, particularly if they contain any type of patient information, through a designated UBC email account. Students who select the auto-forward option rather than host email will NOT have the ability to reply/send through a UBC account as the account is forwarded to your personal email address and does not host an inbox.
- ❖ To set-up a student email account, go to <https://it.ubc.ca/services/email-voice-internet/ubc-student-email-service>

Dentistry Intranet

<https://secure.dentistry.ubc.ca/intranet/>

- ❖ Online program for dentistry-specific information
- ❖ Intranet login credentials are CWL username and password
- ❖ Upload important documents, pay fees
- ❖ Curriculum schedule, academic policies and procedures, absence reporting, notices
- ❖ General information restricted to FOD community

Intranet Log in page

The screenshot shows the top navigation bar of the UBC Faculty of Dentistry website. The UBC logo and the text "THE UNIVERSITY OF BRITISH COLUMBIA" are at the top left. Below that is the "Faculty of Dentistry" header. A horizontal navigation menu contains the following items: Home, Education, CDE, Patient Treatment, Research, Alumni, Donate, Community Programs, About, **Intranet** (circled in red), and Shop. Below the navigation menu is a large banner for the "Canadian Fluoridation Society" with the tagline "Tapping the power of water". To the right of the banner are two news items: "John McNeill Excellence in Health Research Mentorship Award" and "Canadian Fluoridation Society". At the bottom of the banner area are navigation arrows and the text "2 / 4".

- ❖ It should be less than 450 characters
- ❖ This biography will be accessible by faculty, staff and other students

Biography on your Intranet Profile

Ambika Agarwal

Hello everyone, my name is Ambika I am from Markham, ON. I completed an Honours Life Sciences degree from McMaster University. I then went on to do a Master of Professional Communication from Ryerson University. I am really excited to get to know and explore BC! I enjoy hiking, biking, embroidery, traveling, and kdramas. Excited to learn about all things dentistry, looking forward to the next four years!

Grace Barlow

I was born and raised in Prince George, BC where I learned how to skate before I learned how to walk. I obtained my BHSc at the University of Northern British Columbia and I am so excited to swap the snow for rain for the next 4 years of my academic career! If I am not at school studying, you can find me at the rink coaching, officiating or playing hockey. I trained my dog, Cheevers, to be a St. John's Ambulance therapy dog and we work at Youth Treatment centers in Northern BC!

Jasmine Bhathal

Hi everyone! I grew up in Cawston, BC, a rural farming community in the Okanagan-Similkameen. I completed my BSc in Biology at UBC Okanagan. In my free time, I enjoy spending time with my friends and family, playing soccer, watching tv shows on Netflix, and listening to music and podcasts. I also love to bake and learn new recipes!

Yasmine Borno

Hello! I was born in Toronto and lived in Dubai for several years until I moved to Vancouver to complete my undergraduate degree. I am an avid reader with an interest in historical fiction (favourite authors being Philippa Gregory & Ken Follett). I enjoy a wide range of physical exercise, painting, and dabbling in the traditional middle eastern dishes. Recent hobbies I've adopted are free diving and volleyball. I'm looking forward to reading everyone's biographies and embarking on the next four years at the UBC Faculty of Dentistry.

Julia Burgess

Hello everyone! I'm from the Lower Mainland, and have a background in chemistry. I love the beautiful scenery in B.C. and in my free time I always enjoy the chance to go hiking, biking, and kayaking, in addition to playing ice hockey. I'm really looking forward to studying dentistry at UBC.

Maxwell Chan

I'm Maxwell! My first degree was a hBSc in Physiology and Immunology from the University of Toronto. I've moved to Vancouver for the big trees and nice weather. In my spare time, I can be found fixing bicycles or recording music. Dentistry was a great way to combine my passion for health sciences with my busy hands, and I'm looking forwards to providing fun, thrilling dental care.

Amy Eve Chen

Hi everyone! I was born and raised in Vancouver, and studied Microbiology and Immunology here at UBC for several years. I'm super passionate about exploring nature, cooking the perfect egg, playing the piano, and trying desserts of all kinds. I also enjoy working with youth on leadership skills and project development! In my spare time, you'll find me designing cards, lifting weights, and spending quality time with family. Looking forward to the next four years with you all!

Jennie Chen

Hello! I was born and raised in Calgary, but moved to Vancouver 6 years ago. I obtained my BSc at University of Alberta and my hygiene diploma from VCDH. I have a passion in educating people on the importance of oral health. I enjoy giving tips and tricks on oral health habits to friends and family. For instance, my favorite floss is waxed floss because it is great for removing plaque! I also enjoy going on walks like a granny, to slowly enjoy my surroundings. I look forward to forging new friendships and learning at UBC!

Yuyan Chen

Hello everyone, my name is Yuyan. I was born in Beijing, China and moved to Richmond when I was in fifth grade. I graduated from UBC in 2020 with a Bsc Microbiology and Immunology. During my co-op year, I was involved in clinical research in pediatric vasculitis. Outside of school, I enjoy watching movies and dramas, reading, biking, walking, and learning a new language. I am looking forward to another awesome 4 years at UBC with the DMD class of 2020!

Sherry Chi

Hello! I was born in Taiwan and raised in Vancouver, and completed my BSc in Microbiology & Immunology at UBC this year. Growing up, I had a passion working with children through volunteer and music, and at one point even considered becoming a piano teacher! In my free time I enjoy hanging out with friends, playing board games, going on walks, and hiking. I'm always down to try new activities and explore new restaurants in Vancouver. I am excited to spend the next 4 years with everyone, filled with fun and hard work!

Kennedy Chow

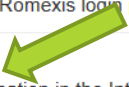

Born and raised in Vancouver, I completed my BSc in Integrated Sciences at UBC. In my free time, I enjoy staying active with basketball, skiing, running, and tennis. I'm also an avid hockey fan and closely follow the NHL! When not in school, I'm probably chilling with friends, binge watching TV, exploring new places, or teaching myself Kygo songs on the piano. Fun fact: growing up, I wanted to be to be a part-time hockey player, firefighter, and dentist! Super excited for an amazing four years with the DMD family!

Jacob Davis

Hi everyone, my name is Jacob. I was born and raised in Victoria my entire life, completing my B.Sc. in chemistry at UVic in 2019. I am excited for the move to the big city, and exploring everything Vancouver (and BC) has to offer! Some things I enjoy are hiking, camping, eating good food and hanging out with friends. I am excited to begin this four year journey with everyone!

Personal Settings (Dashboard)

-  **Reset Axium/Romexis Password**
Set or reset your Axium/Romexis login password.
-  **Directory Listing** 
Edit your personal information in the Intranet's directory.
-  **Upload Photo and Voice Recording** 
Upload your own photo and voice recording of your name.
-  **Notice Board Settings**
Specify what types of notices you want to view and whether or not to receive email when notices are posted.
-  **Intranet Start Page**
Specify the page (Home, Notice Board, or Student Absences) that will be displayed after you login to the Intranet.

The screenshot shows the top navigation bar of the University of British Columbia Faculty of Dentistry website. The header includes the UBC logo and the text "THE UNIVERSITY OF BRITISH COLUMBIA". Below this is the "Faculty of Dentistry" section. A navigation menu contains the following items: Home, Education (highlighted with a dropdown arrow), CDE (dropdown arrow), Patient Treatment (dropdown arrow), Research (dropdown arrow), Alumni (dropdown arrow), Donate (dropdown arrow), and Community Pr. The "Education" dropdown menu is open, listing the following options: Doctor of Dental Medicine (DMD), Dental Hygiene Degree Program, Graduate Programs, Post-Graduate Programs, Dental Specialty Assessment and Training Program (DSATP), and Student Resources. A green arrow points to the "Student Resources" option. Below the navigation menu, there is a banner for "Dentistry Alumni Inducted into UBC Sports Hall of Fame" featuring a photo of Caitlin Meredith and the text "CONGRATULATIONS CAITLIN MEREDITH (DMD'13) WHO WAS RECENTLY INDUCTED INTO THE UBC SPORTS HALL OF FAME! SWIMMING". To the right of the banner is a "News" section with a "News" button and an "Awards" button. The first news item is "Dr. Wilson Kwong Air™ Purification" with a sub-headline "Recently, alumnus I generously donated room purification un". The second news item is "Dentistry Alumni Inducted into UBC Sports Hall of Fame" with a sub-headline "Congratulations Cai who was recently in Sports Hall of Fame". At the bottom right, there is a "Cardiac art compe" link. A video player interface is visible at the bottom right of the banner area, showing navigation controls and a "1 / 4" indicator.
