What is the reason that TMDs happen after dental procedures? Do we really know the patient’s TMJ complex baseline before a dental procedure? How to adjust your restoration plan to fit the patient’s TMJ complex status? How to manage common TMDs in a dental office? The knowledge and clinical skill will help you to avoid unnecessary complaints after your dental procedure, such as myalgia, arthralgia, neuralgia or chewing dysfunction.

EDUCATIONAL OBJECTIVES

- Anatomy and neurophysiology of Temporomandibular Joint (TMJ) Complex
- How to know your patient’s TMJ complex status? What is the cause-and-effect correlation?
- Common Temporomandibular Joint Disorders (TMDs) and their diagnostic criteria
- Management guidelines and the appropriate usage of oral appliances

CLINICIAN

YANG GU, BDS, MSC,DIP. OMOP, FRCD (C) has worked in teaching, private practice, and research at dental schools in China and Canada for more than 20 years. She is currently the director of the Oral Pathology Clinic and an oral pathologist and assistant professor at Dalhousie University for the last three years. CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the “ACDE Webinar Series”. This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional’s schedule and interests. Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.

COST:

$99 CAD

No discounts or waivers are available for the ACDE webinar series.
