

WHAT SHOULD WE KNOW ABOUT PERI-IMPLANT DISEASE? - DIAGNOSIS AND TREATMENT STRATEGIES

DR. YUNG-TING HSU

Peri-implant diseases lead to peri-implant bone loss, compromising implant outcomes in both function and esthetics. As a multiple-factor disease, peri-implantitis becomes a great challenge in identifying the etiologic factors and the following treatments. Several strategies have been introduced in the treatment of peri-implantitis, including non-surgical and surgical approaches. Multiple factors may affect the treatment outcomes and predictability. This presentation will include current understandings of etiologic factors, treatment strategies of peri-implant diseases, and factors affecting treatment success.

EDUCATIONAL OBJECTIVES

- Diagnose peri-implant diseases, including peri-implant mucositis and peri-implantitis
- Understand etiology and contributing factors of peri-implant diseases
- Provide treatment strategies of peri-implant diseases, including the pros/cons and indications

CLINICIAN

YUNG-TING HSU, DDS, MDSC, MS is an Assistant Professor at the Department of Periodontics, University of Washington, Seattle, WA. She is involved in both didactic courses and clinical teaching in pre-doctoral and post-doctoral level. Dr. Hsu published more than 30 articles, book chapters, and abstracts. She is also an associate editor of Journal of Periodontics and Implant Dentistry, and reviewer of several dental and periodontal journals. Her research interests focus on regeneration, treatment and prevention of peri-implant diseases, and interdisciplinary therapy. She was awarded several teaching and research awards, such as AAPF Nevins Teaching and Clinical Research Fellowship (2018), Osteology Education Grant from Osteology Foundation (2018), and AAPF fellowship to the Institute for Teaching and Learning in the Health Professions (2016). Dr. Hsu received her DDS and MDSc degree in Periodontics from Kaohsiung Medical University in Taiwan. She also holds a Certificate and MS degree in Periodontics from the University of Michigan, Ann Arbor, MI.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

ADA CERP® | Continuing Education
Recognition Program

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

THURSDAY
FEBRUARY 15, 2024
5:00 PM - 7:00 PM (PACIFIC)
(2 Hour of Instruction)

COST:

\$99 CAD

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
