

MANAGEMENT OF CLEFT LIP AND PALATE - WHAT DOES THE DENTAL PROFESSIONAL NEED TO KNOW?

DR. JEAN-CHARLES DOUCET

This course will overview the assessment and management of patients with cleft lip and/or palate while focusing on the important role the dental professional has in their care.

EDUCATIONAL OBJECTIVES

- Review the embryology, etiology, and classification of cleft lip and/or palate
- Review the important principles of assessment of patients with cleft lip and/or palate
- Review the important principles of cleft care

CLINICIAN

JEAN-CHARLES DOUCET, DMD, MD, MSC, FRCD(C) is an Associate Professor of the Division of Oral and Maxillofacial Science at Dalhousie University, Halifax, Canada. He completed his dentistry degree (DMD) at the University of Montreal in 2004, followed by a general practice residency at the Notre-Dame Hospital and University of Montreal in 2005. He obtained both his medical degree and Master of Science and completed his residency in Oral and Maxillofacial Surgery at Dalhousie University in 2011. He then concluded his subspecialty training with a Cleft and Craniofacial Fellowship at the University of Montpellier, France in 2012. Dr. Doucet joined the QE II Health Sciences Centre and IWK Health Centre, Halifax, Canada in July 2012 as an attending oral and maxillofacial surgeon and cleft/craniofacial surgeon on the IWK Cleft Palate Team. Dr. Doucet is a member of the Americleft research group, member of the American Cleft Palate/Craniofacial Association and Section Editor for the Cleft Palate Craniofacial Journal. He has numerous peer-reviewed publications and his research interests focus on the primary repair of the cleft lip nasal deformity, early alveolar bone grafting, and cleft distraction osteogenesis and inter-center cleft outcome comparison.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
