

GETTING STARTED WITH DIGITAL DENTURES

DR. GREGORY BENNETT

This course will cover the what, the how, and the why of digital dentures with a strong focus on the ample scientific evidence and rationale for their use. Various clinical techniques will be discussed, along with material options, fabrication types and how to implement them in your practice to improve efficiency and lead to positive patient outcomes.

EDUCATIONAL OBJECTIVES

- Know the firm evidence base for the use of digital dentures.
- Recognize the expanding possibilities for digital dentures.
- Identify the benefits and limitations of digital dentures.
- Recognize the many methods of fabrication of a digital denture along with their benefits and limitations.
- Know how to incorporate various distinct workflows to deliver high quality digital dentures.

CLINICIAN

GREGORY BENNETT, DMD, originally from the West Coast, Gregory W. Bennett, DMD earned his undergraduate degree from Oregon State University in 2006. He then completed his Doctor of Dental Medicine degree (DMD) in 2010 at the Oregon Health & Sciences University School of Dentistry, followed by a General Practice Residency at the Naval Hospital Camp Pendleton.

Dr. Bennett served in the US Navy as a Dental Corps officer until 2015 with time spent in California, Mississippi, Kuwait, Afghanistan and Hawaii. Dr. Bennett left the Navy in 2015 and began teaching part-time in the Department of Adult Restorative Dentistry at the UNMC College of Dentistry while maintaining a private practice. In 2019, Dr. Bennett joined the faculty of UNMC full-time. Dr Bennett teaches and conducts research in 3D printing and digital dentistry.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

ADA CERP® | Continuing Education
Recognition Program

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
