

A "CLINICIANS REPORT" DENTISTRY UPDATE, FROM A UNIVERSITY ACADEMIC AND CLINICIAN

DR. MARK DURHAM

This is a moment of unprecedented change in the dental market! I know, I am Dr. Mark Durham, holding the distinguished Gordon and Rella Christensen Presidential Endowed Chair and serving as an Associate Professor at the University of Utah. In collaboration with Gordon and Rella Christensen at the legendary Clinicians Report—a 48-year-old non-profit educational organization that rigorously evaluates nearly every new dental product introduced to the market—I hold vital insights into this evolving landscape. In this ACDE webinar, I will explore and update you on the NEW changes emerging to enhance the dynamic context-of-care for your patients.

EDUCATIONAL OBJECTIVES

- Participants will learn the relevant product changes occurring throughout the dental industry, and how to optimize the broad range of available products to better help their patients

CLINICIAN

MARK DURHAM, DMD, In the last 13 years, Dr. Durham provided prosthodontics to patients in the Veterans' Affairs hospital, the University of Utah's faculty practice, and private practice. He actively treats patients for esthetic and complex dental reconstruction needs. Dr. Durham's research in dentistry is supported by his role as an Associate Professor at the University of Utah and the Gordon and Rella Christensen Presidential Endowed Chair at the Clinicians Report Foundation. In the last three years, he has tested and reported on countless products for dentistry. For more than a decade, he has taught dental students, residents, dentists, and specialists in the United States and abroad on the most up-to-date topics in clinical prosthodontics and clinical dentistry.

ADA C.E.R.P.[®] | Continuing Education Recognition Program

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
