

"OCCLUSION" TO KNOW FOR YOUR PRACTICE

DR. SANG J. LEE

Occlusion plays a crucial role in achieving long-term success of dental treatments. One of the major clinical challenges is to understand and apply occlusal concepts depending on the planned prosthesis and various functional and esthetic elements. This lecture will present fundamental occlusal concepts in removable, fixed and implant restorations. The lecture will also address the diagnostic analysis, the decision-making process, treatment planning and prosthodontic treatment of the fixed prosthodontic rehabilitation. Finally, useful clinical tips will be shared to overcome common clinical challenges related to occlusion.

EDUCATIONAL OBJECTIVES

- Understand foundational occlusal concepts applied in removable, fixed and implant restorations
- Learn the clinical guidelines of optimal occlusion and its applications in clinical situations
- Understand how to perform occlusal adjustments (ex. occlusal appliance)

CLINICIAN

SANG J. LEE, DMD, MMSC

As Assistant Dean for Clinical Affairs Dr. Lee serves in the role of Medical Director of the Harvard Dental Center (HDC) practices in Longwood and Cambridge. He directs all student and patient related clinical activities in the Harvard Dental Center Teaching Practices and oversees daily clinical operations to ensure the highest excellence in standards of care and quality assurance. Prior to taking on this role, Dr. Lee served as Director of Advanced Graduate Education (AGE) at HSDM, where he was responsible for overseeing 14 advanced graduate training programs and leading the Committee on

Advanced Graduate Education (CAGE). He was also the Director of the AGE Prosthodontics program. He is a Diplomate of the American Board of Prosthodontics and serves as Fellow of many organizations including the American College of Prosthodontists, the Greater New York Academy of Prosthodontics, and the American Academy of Dental Science. He has served as a site visitor for the Advanced Dental Program in the Committee on Dental Accreditation (CODA) and as a Review Committee member for the Advanced Dental Program in Prosthodontics. Dr. Lee received his BS from Bucknell University and his DMD from the University of Pennsylvania School of Dental Medicine. He completed his advanced graduate training at HSDM, receiving a Masters of Medical Science (MMSc) degree in oral biology, a Certificate in Prosthodontics and a Certificate in Implant Dentistry.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

CDE at UBC is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at ADA.org/CERP. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
