

PRACTICAL ORAL PATHOLOGY: 7 TIPS FOR THE PRACTICING DENTIST

DR. DARIA VASILYEVA

This course will focus on providing the practicing dentist with the knowledge and skills needed to diagnose and manage common oral diseases. Participants will learn what to look for in identifying common oral lesions, how to develop differential diagnosis for unusual oral lesions, how to communicate with the patient about oral pathology, and how to work with their oral pathology specialist.

EDUCATIONAL OBJECTIVES

- Identify and diagnose common oral lesions
- Develop a differential diagnosis for unusual oral lesions
- Recommend appropriate treatment and management plans for patients with oral lesions
- Communicate effectively with patients and other healthcare professionals about oral lesions

CLINICIAN

DARIA VASILYEVA, DDS, MA is a board certified Oral and Maxillofacial Pathology and full-time assistant professor at Columbia University College of Dental Medicine. Daria completed residency training in Oral and Maxillofacial Pathology at New York-Presbyterian Hospital/Columbia University, and advanced fellowship in Oral Medicine at The MetroHealth System/Case Western Reserve University. Daria is a member of the oral biopsy service, and participates in the clinical oral medicine and oral pathology service at Columbia University. Principal research interests are in collaborative practices in education and healthcare, and digital pathology in research and diagnosis.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

ADA CERP® | Continuing Education
Recognition Program

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

Association For Continuing Dental Education

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests.

Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
