Notes:

- All fees subject to change without notice; this document is intended as a guide for future planning.
- Confirmed for 2024W by the UBC Board of Governors
- Clinic Fee comprises part of your Tuition; It is based on cost of clinic operation, and is amortized over the program. Tuition/Clinic fees are tax deductible.
- Program Fee covers Educational/lab experiences, including sim lab/digital dentistry operations
- Students may opt out of certain AMS fees. Please see the UBC Calendar for details.
- The Anatomy Lab fee is collected by the faculty and remitted to Faculty of Medicine
- UBC Health requires current CPR certification.
- * Payable to Enrolment Services through the SSC.
- During first year, students will receive more information regarding articulator purchase, and the class may arrange a group purchase through WhipMix. The cost for August 2023 was \$1,629 Canadian.
- Microsurveyors are used in the Module - Partial Removable Dental Prostheses (PRPD). The instructor reports that the microsurveyors using in the program are no longer being manufactured, but many students will be able to obtain from upper year students.
