• Learn how and when to refer these patients and to who

CLINICIAN

DAVIS C THOMAS, BDS, DDS, MSD, MSCMED, MSC completed his Bachelor of Dental Surgery (BDS) from India. He received his Doctor of Dental Surgery (DDS) and one year of Advanced Education in General Dentistry from NYU. While in private practice, he then went on to further his education in the following twenty years to include multiple master’s degrees including orofacial pain (Rutgers University), headache pain management (University of Edinburgh), and sleep medicine (University of Sydney). He is an associate clinical professor in the department of Orofacial pain and the program director of clinical preceptorship in General dentistry and comprehensive care. The experience and education Dr. Thomas has acquired over the years has allowed him to lecture extensively all around the world. He has been a commissioned officer in the United States Army since 2001. He also has multiple faculty appointments in national and international hospitals and universities. Currently, he is the director for OFP/TMD/Sleep medicine courses for Roseman University/Smile USA Academy. He also is the director of Shore TMJ LLC, a continuing education platform for mentoring students from all over the world on dental career guidance, orofacial pain and dental sleep medicine.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college-and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs.

The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the “ACDE Webinar Series”. This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional’s schedule and interests. Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.

ADA CERP

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia.
