REGENERATIVE PERIODONTAL THERAPIES

AHMED EL-AWADY

The course will explore selected techniques of regenerative surgery, gaining a comprehensive understanding of the indications and contraindications for regenerating lost periodontal tissues. The course will also cover essential topics such as bone grafts, guided tissue regeneration (GTR), and the role of biologic mediators in enhancing regenerative outcomes.

EDUCATIONAL OBJECTIVES

- Explore various techniques of regenerative surgery, including recent advancements that enhance procedural effectiveness and patient outcomes.
- Understand the indications and contraindications for regenerating lost periodontal tissues, with an emphasis on the latest research and clinical guidelines.
- Gain knowledge of bone grafts, guided tissue regeneration (GTR), and biologic mediators, incorporating the most recent innovations in these areas to improve treatment strategies.

CLINICIAN

AHMED EL-AWADY, BDS, MS, PHD, is an Associate Professor in the Department of Periodontics at the Dental College of Georgia, Augusta University. Dr. El-Awady holds several academic qualifications, including Diplomate status from the American Board of Periodontology, a Ph.D. in Oral Biology and Maxillofacial Pathology, and a Ph.D. in Periodontology and Oral Medicine. He also serves as the Acting Director of Advanced Education in Periodontics Program and the Chair of the DCG Faculty Senate. His commitment to bridging basic science and clinical practice defines his research philosophy. Dr. El-Awady's laboratory investigates the role of the oral consortium in xenophagy inhibition and inflammasome signaling within dendritic cells, myeloid-derived suppressor cells (MDSCs) prevalence, and its role in periodontitis. Beyond the lab, Dr. El-Awady is a trailblazer in clinical research in periimplantitis, crown lengthening, and NSAID effects on implants. In addition, his team recently completed a significant three-year clinical trial evaluating pharmacogenomics in personalized prescriptions during periodontal surgeries—a pioneering effort in dental schools nationwide. He and his team's collaborative and innovative approach aims to continue participation in the field of periodontics, benefiting patients and students.

CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

ADA CERP® | Continuing Education Recognition Program

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at CCEPR.ada.org. This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs. The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests. Please visit dentistry.ubc.ca/cde for a list of ACDE webinar offerings.
