

# ACDE LIVE WEBINAR SERIES

## ADVANCED DIGITAL DENTISTRY | TECHNIQUES, QUALITY ASSURANCE & INNOVATIONS

DR. LEONARDO NASSANI

This presentation explores the latest advancements in digital dentistry, focusing on intraoral scanning techniques, quality assessment, and effective communication with dental labs. Additionally, it delves into innovative applications in sports dentistry and implant-protected occlusion to ensure optimal patient outcomes.

### EDUCATIONAL OBJECTIVES

- Describe advanced intraoral scanning techniques and their impact on digital impressions
- Assess the quality and accuracy of intraoral scans using established evaluation criteria.
- Explain the components of effective digital lab workflows and communication strategies for predictable outcomes.
- Identify the latest innovations in sports dentistry and their applications for enhancing athletic performance and protection.
- Discuss strategies for implant-protected occlusion and the role of digital planning in achieving successful clinical outcomes.

### CLINICIAN

LEONARDO NASSANI, DMD, MBA, obtained his Doctor of Dental Medicine (DMD) degree from McGill University Faculty of Dentistry, Montreal, Canada. He then successfully completed an Advanced Education in General Dentistry (AEGD) residency at Case Western Reserve University, Cleveland, OH. Dr. Nassani obtained a Master of Business Administration with a specialization in Healthcare Management (MBA) from Youngstown State University, Youngstown, OH.

Dr. Nassani is the Assistant Dean for Digital Dentistry and Advanced Technology and serves as a member of several college committees, including the Digital Dentistry Initiative Committee. As an Operative Dentistry course director, Dr. Nassani contributes to curriculum development for restorative and prosthodontics courses and directs didactic teaching in operative digital dentistry. Dr. Nassani is the Chair of Continuing Education at the Quebec Academy of General Dentistry, Vice-Chair of the Ohio Dental Association Education and Licensure Committee, and member of the Columbus Dental Society Executive Committee.

### CANCELLATION POLICY

Cancellations received up to 72 hours prior to the course will receive a 50% refund. No refunds will be given for cancellations received within 72 hours of the course. Please note that Zoom will allow you to cancel out of a Zoom event at any time, however, all cancellations for this course must be made directly with UBC in accordance with this UBC CDE cancellation policy. Continuing Dental Education at The University of British Columbia reserves the right to cancel courses or switch instructors if deemed necessary by low enrolment, instructor cancellation or other unforeseen issues. In case of course cancellation by UBC CDE a full refund will be issued.

Continuing Dental Education (CDE) at the University of British Columbia (UBC) is an ADA CERP Recognized Provider. ADA CERP is a service of the American Dental Association to assist dental professionals in identifying quality providers of continuing dental education. ADA CERP does not approve or endorse individual courses or instructors, nor does it imply acceptance of credit hours by boards of dentistry. CDE at UBC designates this activity for the above listed hours of instruction. Concerns or complaints about a CE provider may be directed to the provider or to the Commission for Continuing Education Provider Recognition at [CCEPR.ada.org](http://CCEPR.ada.org) This continuing education activity has been planned and implemented in accordance with the standards of the ADA Continuing Education Recognition Program (ADA CERP) through joint efforts between CDE at UBC and Association for Continuing Dental Education (ACDE).

DISCLAIMER: Dental education institutions have an obligation to disseminate new knowledge related to dental practice. Some presentations may include controversial materials or commercial references. Sponsorship of a continuing education course by The University of British Columbia does not imply endorsement of a particular philosophy, procedure or product by The University of British Columbia. Fee in full must accompany registration. The tuition fee is deductible for Canadian Income Tax purposes. See cancellation policy.

THURSDAY  
MAY 15, 2025

The Association of Continuing Dental Education (ACDE) brings together individuals who represent college- and university-based continuing dental education programs associated with accredited dental schools in Canada and the United States. The ACDE is here to serve you, the dental professional, in delivering high quality, evidence-based continuing dental education programs to meet your educational needs. The University of British Columbia, Continuing Dental Education in conjunction with the ACDE, and along with 30 of its member schools, jointly presents the "ACDE Webinar Series". This series features university-based key opinion leaders presenting on numerous topics on multiple dates and times. Presentations are available to meet every dental health care professional's schedule and interests. Please visit [dentistry.ubc.ca/cde](http://dentistry.ubc.ca/cde) for a list of ACDE webinar offerings.
